PROJECT INTERMEDIATE 07

A: Hi Kalep, What are you doing?

B: Hello Alexis, I am looking for a tourist place to travel this month.

A: Ho about that I remember when my father told me that in Piura there was a city called Máncora, also he said that there you could enjoy the atmosphere of the beach.

B: Yeah, I saw a report in the news and that said this city was famous for its beach and for its food, also this one is famous for its termal paths.

A: When I was a child, my father took me to the beach to see the surfers and I asked him to buy a surfboard to practise this sport, but he told me that many surfers drowned because the waves were too big, but don´t worry these beaches are not all, there are many quiet ones.

B: This one city sount interesting, but I preffer the tourist place where you can learn about culture or traditions.
